### Full job description

#### Your new company

Our client based local to Mulgrave is a highly renowned global company with new Fitter roles. This highly renowned organisation is a leading manufacturer of vehicles. Its range encompasses sweepers, sewer cleaning equipment, as well as winter maintenance and vehicles for refuse collection.

#### Your new role

Your new role will involve you working as a Fitter on Afternoon Shift 2:30pm - Midnight adhering to MIG welding and oxy cutting in a heavy manufacturing environment.

You will be Fitting and assembling various truck products including side, rear, front loaders and sweepers.

#### What you'll need to succeed

- Qualified or experienced Fitter with your own tools
- Flexible with overtime on occasion during seasonal busy periods
- Available to commence immediately and looking for permanency

#### What you'll get in return

- Permanency & work life balance with every second Friday off
- Work with a global giant with a strong OH&S focus
- Organised, clean and highly safety conscious workshop environment
- Immediate start and stability

#### What you need to do now

If you're interested in this role, click 'APPLY NOW' to forward an up-to-date copy of your CV, or to speed up the screening process, email me directly Anthony.Bouios@hays.com.au now to discuss further.

If this job isn't quite right for you but you are looking for a new position, please contact us for a confidential discussion on your career.

I am always interested in hearing from fabricators, welders, boilermakers, machinists, CNC programmers, mechanical fitters, assemblers, fitters and turners
