### Full job description

#### Your new company

Do you want to work with the market leading brand? Do you want to work with a leader in the recruitment world, known for being experts; offering rewarding careers and more recently for their state of the art technology linked with world leading integration?

Joining Hays would be a wise choice for ambitious and talented recruiters with a proven track record looking to fast track their careers.

#### Your new role

- Good work/life balance
- Opportunities to progress into team management from a senior level
- A sense of meaning from your work
- Ongoing training and professional development
- Opportunity to work in our Global network of offices
- Parramatta, suburban or CBD location

#### What you'll need to succeed

You'll be an experienced 360' recruitment consultant at a senior level. Joining Hays will see you being part of our experienced consultants training & development programme and building a portfolio of business clients, sourcing candidates and ultimately placing the right people in the right jobs at the right time.

You 'll already be and an accomplished recruiter in a specialist market and your professionalism and exceptional communication skills will ensure you provide the best service in the market and be a go to industry expert.

You're dynamic and you have the ability to build strong relationships and

demonstrate consistency to strive and achieve results. You enjoy a high performing, meritocratic culture and the possibility of accelerating your career with recognised training and development is your desire.

### **What you'll get in return**

We reward the energy and passion that our people bring to work every day through a range of those benefits, including? extra leave, health and leisure bonuses, weekend getaways, monthly wrap up celebrations, national sales conferences, referral bonuses and more. \$80,000 base plus uncapped commissions.

Where personal accomplishments and success provide the platform for continued career opportunities with multiple offices across 33 countries in Australasia, Asia, Europe, North and South America and an exceptional internal mobility program, these can be far and wide.

### **What you need to do now**

Our people tell us that Hays is a great place to work, over 90% of our employees say that they are proud to work for Hays and we are proud of our employees.
