### Full job description

#### Your new company

Your new company is a growing family-owned Australian business that manufactures imports, and distributes waste, providing upmost services in industrial equipment. Entailing hook lifts, skip lifts, vacuum tankers, and vacuum systems. Their impeccable service delivery across the country is looking for some fitters & tuners to join their team.

#### Your new role

Your role new role will see you working as a fitter & turner, day shift Monday to Thursday 7am – 4:30pm and Friday 7am – 2:30pm. You will be responsible for reading drawings and working on heavy vehicle body building and fitting, bolting/unbolting, assembling brackets as well as basic MIG welding.

#### What you'll need to succeed

- Trade qualified (advantageous)
- Proficiency in reading drawings and designs
- Initiative to problem solve
- Previous experience with hand power tools
- Basic welding experience

#### What you'll get in return

- Temp to Permanent opportunity
- Day shift
- Upskilling and professional development
- OT availability

#### What you need to do now

Click "Apply Now" if you are interested or alternatively e-mail me directly Tran.Nguyen@hays.com.au to discuss further.

If this role isn't quite right for you but you are looking for a change, please contact me for a confidential discussion.

I am always interested in hearing from fabricators, welders, boilermakers, machinists, CNC programmers, mechanical fitters, assemblers, fitters, and turners
